REDONDO UNION HIGH SCHOOL has just celebrated its Golden Anniversary and can look back with pride on its many achievements in the past fifty years. But as it stands on the threshold of a new half century, it contemplates its greatest challenge, the future, with an intense desire to accomplish even more than the fanciful, idealistic dreams could create, in its second fifty years. As a symbol, then of this forward look, the 1956 yearbook chooses to present itself—new style—as a Jet Age PILOT.

To develop this theme there is, in this book, first the permanent training personnel, then the sequence of training, starting with ground school, advancing to trainer flight, progressing to solo flight and culminating in special jet training, all these in preparation for further activities, after graduation, as the ultimate in airborne gentry, the test pilot.

ASSOCIATED STUDENT BODY FUNDS will soon build the Student Union and store pictured above in an architect's drawing taken from the plans and drawn for the PILOT by Louis Liets.

DEAR JUNE -

ITS REALLY BEEN A LOT OF FUN HAVING
 YOU IN MY CLASSES THIS YEAR. YOU'RE A
 REAL CUTE KID, LOTS OF LUCK IN ALL YOU
 DO - SEE YOU IN SHORTHAND -
 LOVE,
 DIANE GREEN.

Dear June,

I'm not much at expressing myself on paper but I'll try just for you.

First, I've really enjoyed knowing you. I don't believe you even realize the power of your smile. A lot of times when people would stick one of their feet on my face you would come along and say Hi. and I'd feel real good.

"O" When I get cleaver every one under the sun. I've mentioned me about getting stuck up, but I'm not going to do that because I know I don't have to. I know ~~about~~ ^{exactly} that you will the most terrific y'all leader that has ever hit R.V.H.S. because you really have what it takes. May ~~and~~ always be with you and good luck.

Yours Truly,

ANNOUNCER MARION GILL presents the prize platter to the winners of the Elimination Dance Contest, Robin McGuire and Gary Hiland.

ANNUAL FINALE TO Red and White Week, which wraps up homecoming, enthusiasm, a tough football contest and the first fall frenzies, the Red and White Dance traditionally begins the year's necktie social activities. Semper Comites, premiere girls' service group, sponsors this sports hop which is now held in the school cafeteria.

DANCERS AND A vague glimpse of the elaborate decorations.

ALTHOUGH THE 1955 FOOTBALL campaign was definitely disappointing from the standpoint of the all-important won and lost column, it was a season of many ups and downs that the record books couldn't even begin to indicate. Among the pair of victories, six losses and one tie, probably the biggest one of all for Seahawk supporters was the 6-0 triumph over the arch-rival Mira Costa. The nine game grid schedule included a nucleus of the CIF powers, four of which went on to take their own loop pennants.

In the mythical All-Bay League selections, Center John Niemann, Guard Louis Cook, End Bert Valenzuela, and Quarterback Dean Moore landed first string berths. Backs Tim McMillan, Claude Dailey, Bruce Seifert and Tackle Mike Purcell received honorable mention ratings.

REDONDO 22, SANTA PAULA 19: In this grid season inaugural, the Seahawks unleashed a tremendous passing attack against a rugged eleven.

DOWNEY 21, REDONDO 6: Against the Coast League champions the Hawks held one of the most potent combinations to only three touchdowns.

BEVERLY HILLS 6, REDONDO 0: On the foggy night of October 7, Bob Cardona's local pigskinners dropped their first game to the Normans since 1939. This eleven figured in CIF playoffs after winning the Pioneer League race.

BELLFLOWER 19, REDONDO 13: Even though the Hawks were three touchdown underdogs

QUARTERBACK MOORE skirts end for 29 yard gain against Centennial's Apaches.

as they came into the Bucaneer encounter, they played what was probably their finest game of the season.

LEUZINGER 14, REDONDO 6: This was probably one of the most disappointing nights of the entire pigskin slate as Cardona and company completely fell apart.

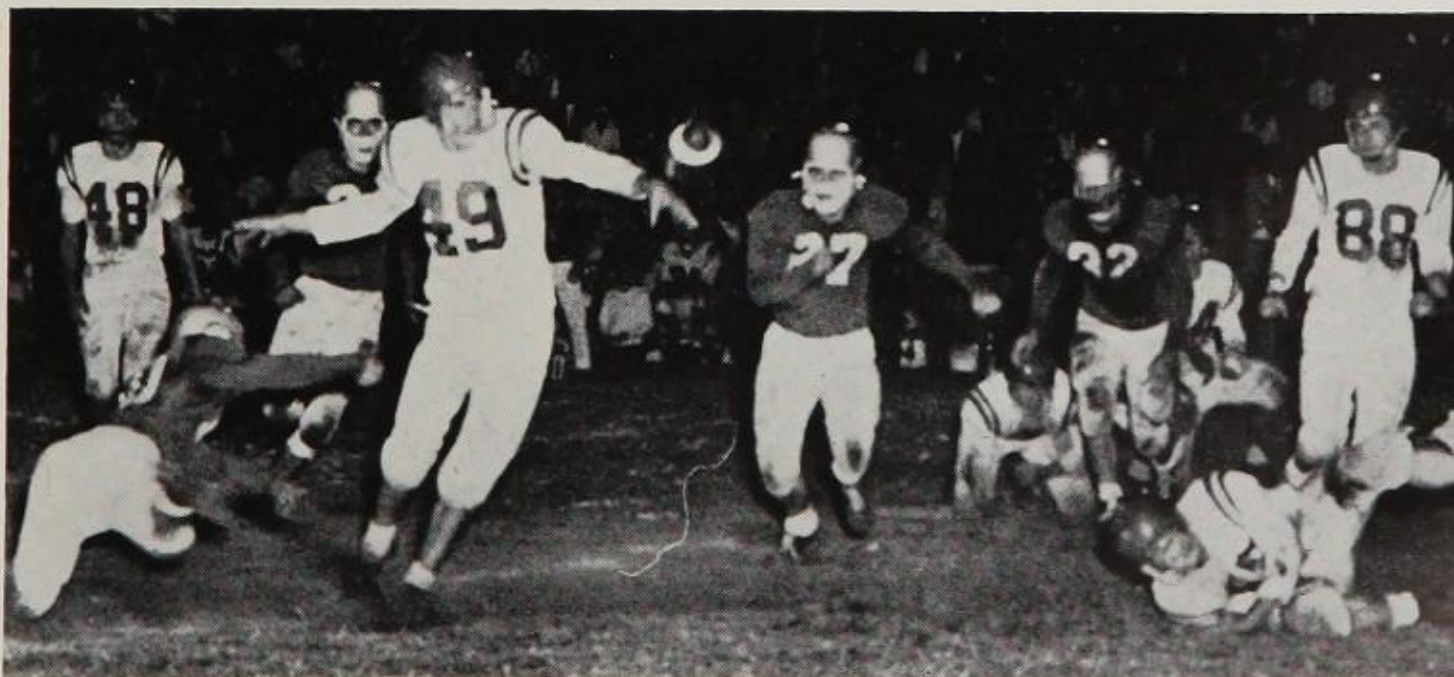

REDONDO 6, MIRA COSTA 0: Without a doubt, this was the biggest one of the 1955 season as RUHS decisioned their arch rivals in the first meeting between the two schools.

INGLEWOOD 27, REDONDO 13: Paul Manahan's Sentinels proved to be one of the finest teams that the Green and White fielded in years.

REDONDO 0, TORRANCE 0: In the industrial city on the night of November 10, the Seahawks came up with a nearly impenetrable defense as they held the Tartars' big fullback, Skip Smith, to only meager gains.

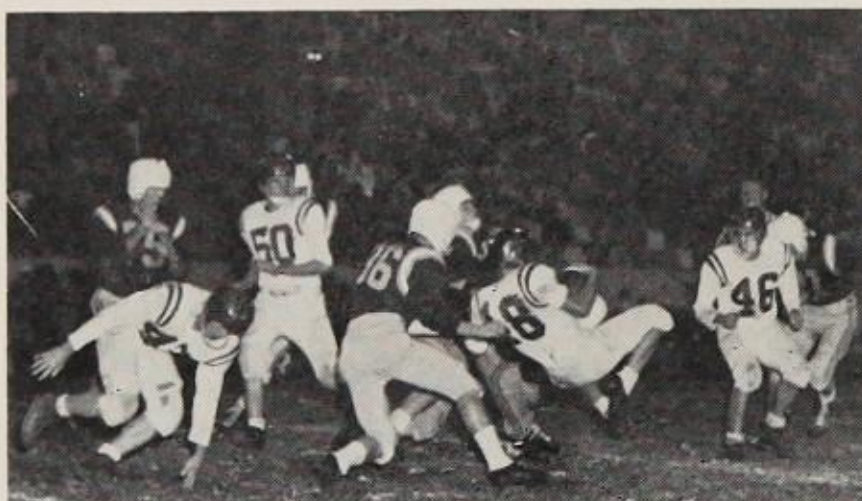

CENTENNIAL 27, REDONDO 7: Aaron Wade's Apaches, the 1954 defending champs, unfurled a powerful running attack as they captured their second consecutive Bay League crown in as many years.

ONE OF THE HAWKS' MANY DISASTROUS FUMBLES inside the ten yard line occurred when Redondo lost possession in the scoreless deadlock with Torrance. Redondo players (in white) are Seifert (49), Purcell (88), Moore (48) and Conger (45). (TORRANCE HERALD photo.)

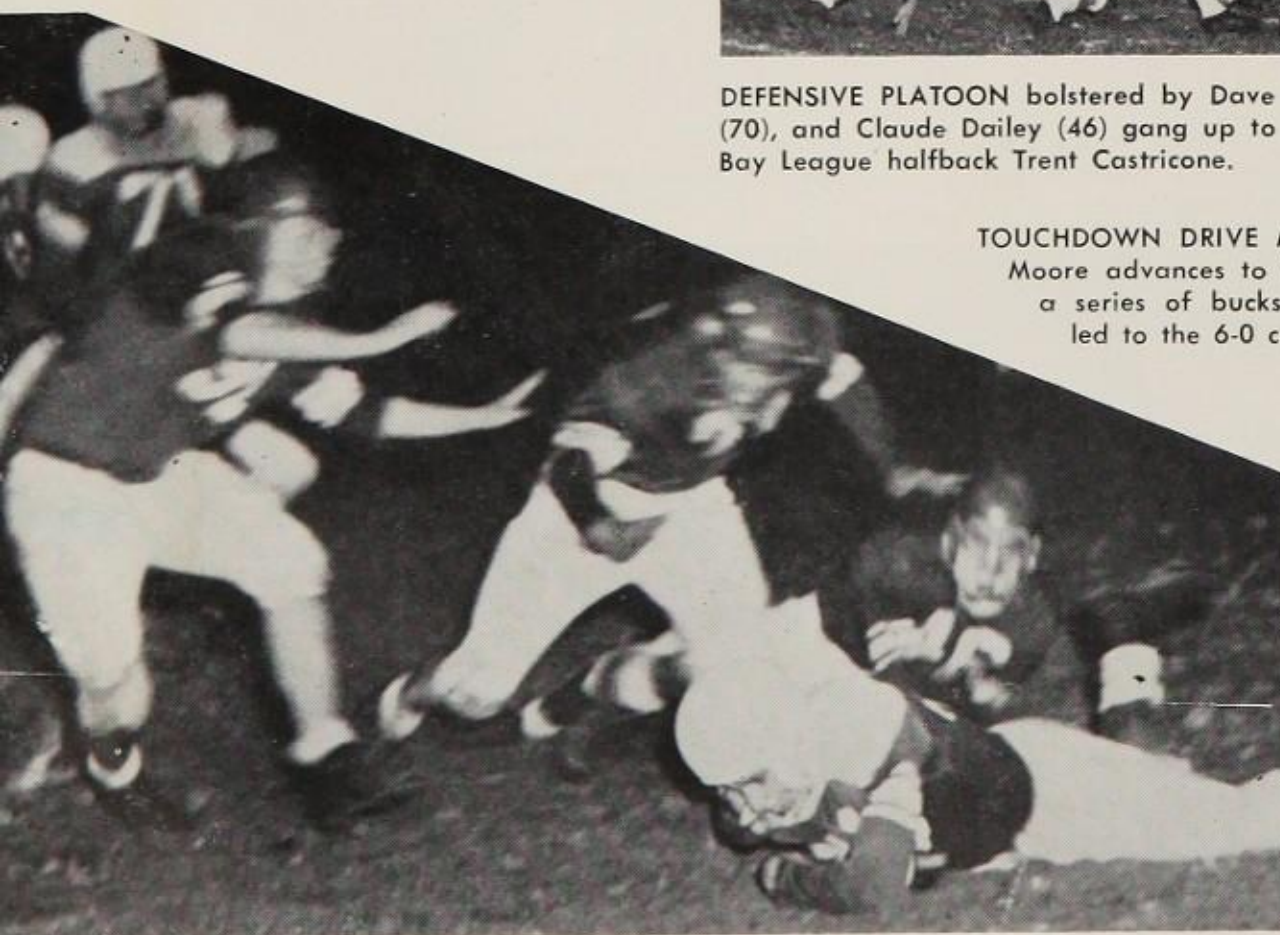

VARSITY COACHES John Kincannon, Chuck Waters, Manager Jerry Russell, Headman Bob Cardona, and Vince McCullough talk over the existing situation in the second half against Inglewood.

DEFENSIVE PLATOON bolstered by Dave Neal (91), John Hyde (70), and Claude Dailey (46) gang up to stop Mira Costa's All-Bay League halfback Trent Castricone.

TOUCHDOWN DRIVE MOVES as Quarterback Dean Moore advances to 11 yard line on the ninth of a series of bucks off tackle which eventually led to the 6-0 conquest of Mira Costa.

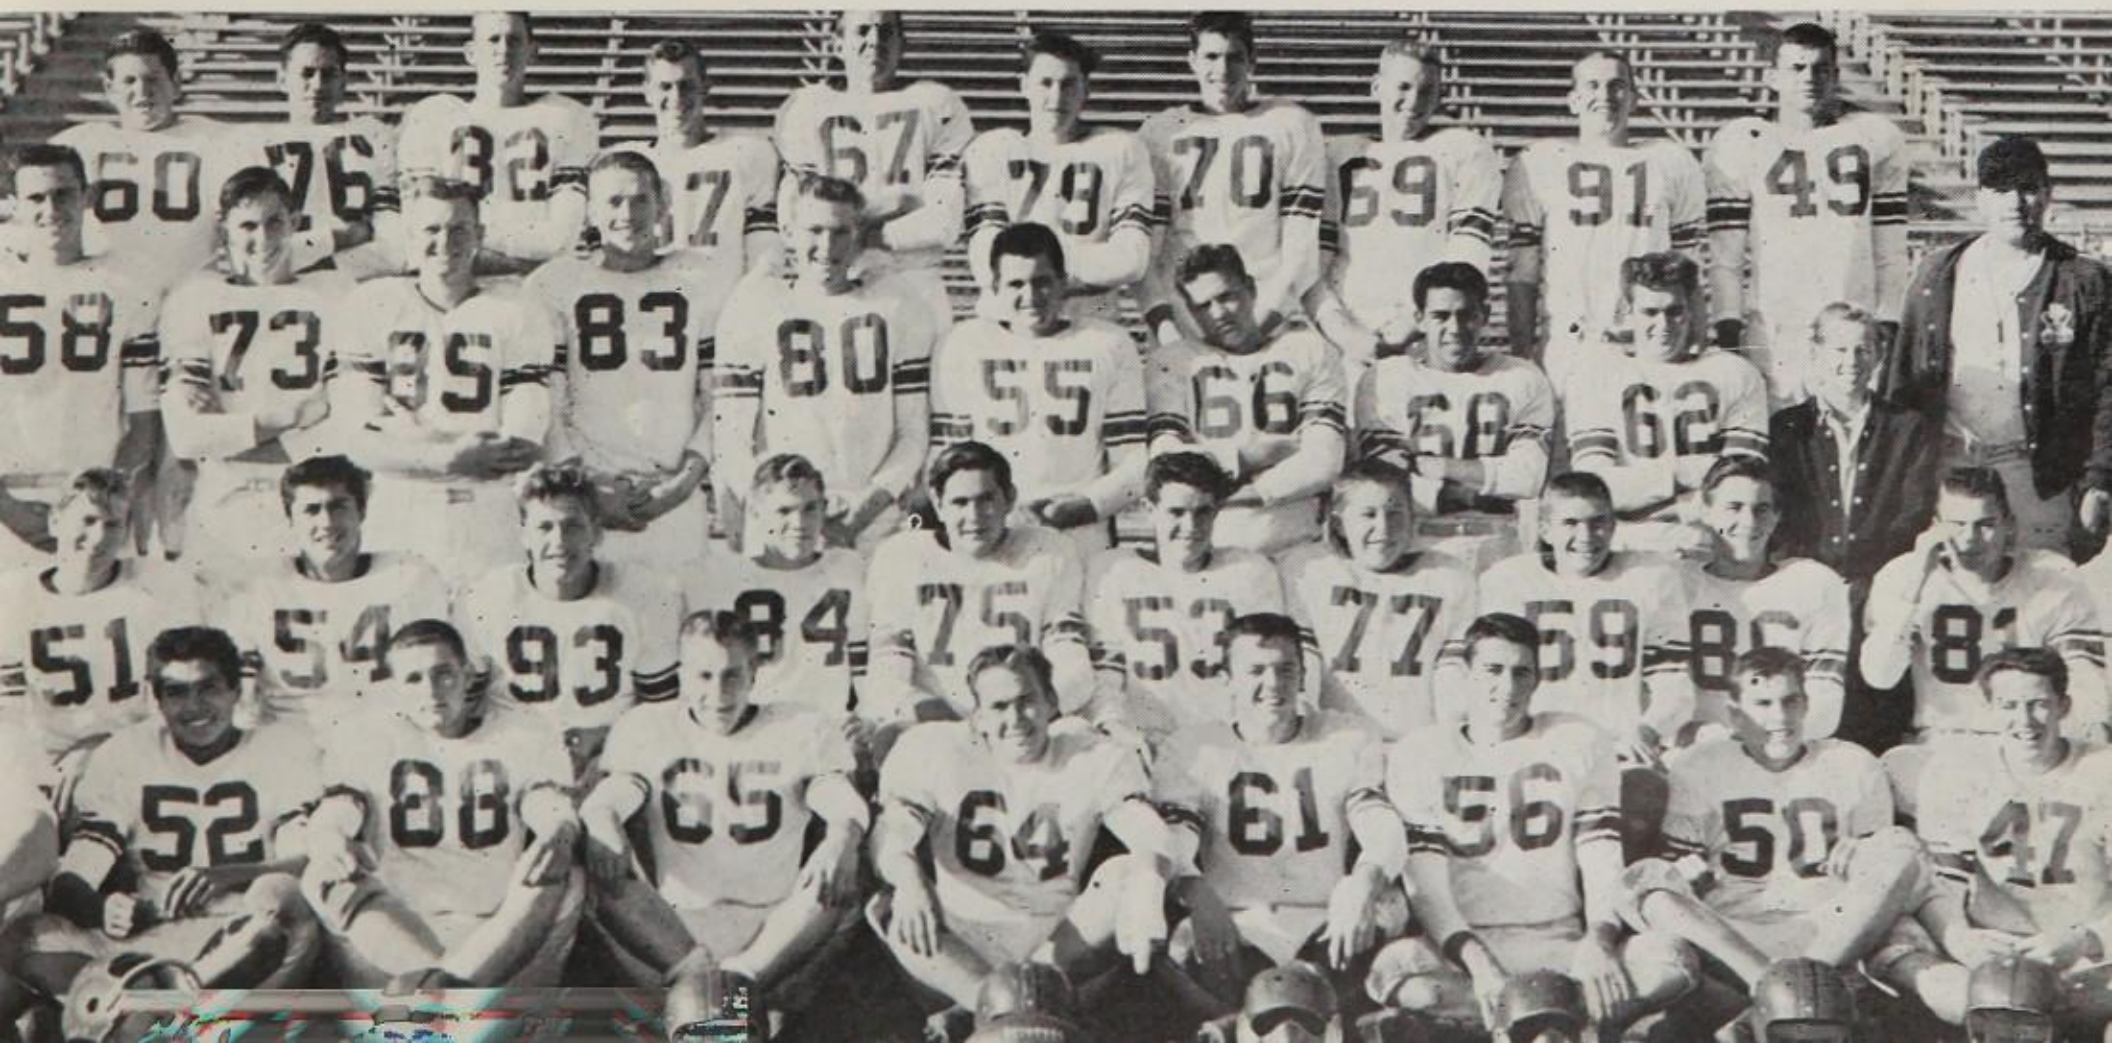

REDONDO STARTING LINEUP: Gene Day, guard; Dave Neal, fullback; "Squeakie" Valenzuela, right end; Mike Purcell, right tackle; Louis Cook, right guard; John Niemann, center; Art Webb, left guard; Ralph Marsh, left tackle; Gene McCann, left end; Dave Atchison, guard; Lynn Hoyem, quarterback; Laddie Conger, halfback. Backfield: Claude Dailey, right half; Tim McMillan, fullback; Dean Moore, quarterback; Bruce Seifert, left halfback.

DEFENSE: Northway, McConville, Davis, Marone, Muegenburg, Liggett, Santee, Elkins, Johnson, Byrd, Barr.

AFTER A NEAR FATAL slump during the early part of the grid season, Coach Ed Adams' and Bill Wilcox's Bee footballers bounced back to win their final three conference encounters thus bringing to an end one of the most successful lightweight schedules in years. Included in the five-won-and-four-lost record was Redondo's initial Class B Bay League triumph over the Vikings of Santa Monica after six long years of competition, by a score of 21-13.

Bob Gobel, a lanky 6 foot-two inch junior was named the Red and White's Bee football player of the year for his outstanding performances at the end position. Other players who stood up well throughout the entire pigskin slate were Jesse Gonzales, Bob Elkins, Harry Parkhurst, Stan Santee, Duane Davis and Ted Muegenburg.

GIRLS' LEAGUE is one of the oldest organizations on the campus, and the largest. Beginning in 1915, it has continued throughout the years with its purpose of keeping close and friendly relationships among the girls. Each one is a member of the League and may help out in many ways, such as in the Big and Little Sister program in the fall or the annual Hi Jinks and Co-Ed Ball in the spring. In addition there is a continuous and widely varied welfare schedule to absorb the talents of those who wish to serve.

 I hope to love
 all you ever

I'll come
 and see you
 next year.
 all right &
 we can have

 you and Judy
 can come up

SHAKESPEAREAN FESTIVAL

• 86 •

THE TAMING OF THE SHREW, this year's choice for the Shakespearean Festival, was directed by Mr. Fred Metzner. During Public Schools Week, the English department produced this play for all English classes and for the public the night of Open House. Members of the cast were Charles Turner, Jamia Lynch, Gennette Hinksman, Regina White, Jim Cullison, Karrol Hudson, Douglas White, Jerry Wilson, Judy Shupps, Lana Hicks, Peggy Reynolds, Janet Bombeau, Erin Crowley, Nancy McDougald, Jean Tornbom, Carol Thomas, Judy Newton and Wayne Bischoff.

FOURTH PERIOD JOURNALISM CLASS

STUDENTS MAY FIND all the local gossip in the "High Tide," the campus newsheet, published weekly. Heading the 1956 staff of almost eighty-five is Editor Linda Murray.

Always a highly rated paper, this year Editor Murray accepted the Compton Cup for the "High Tide." A three-time winner of this award, the newspaper has now earned the right to keep it permanently.

SIXTH PERIOD JOURNALISM CLASS

PRESIDENT CHARLES TURNER and Mrs. Maxine Rinker enjoy a contribution for the "Compass."

PENPOINTERS

THE THEME SELECTED by the PENPOINTERS for the 1956 edition of the "Compass" was "FOOTPRINTS IN THE SANDS OF TIME." Recognized as the culmination of the campus literary effort, the "Compass" includes contributions from any student in school. Members of PENPOINTERS, an honorary junior-senior organization for those literary minded and talented, will publish the "Compass" for the twenty-seventh time this year.

THE PRINT SHOP CREW and instructor Mr. Tom Robertson, who devote many hours to producing both the weekly "High Tide" and the fifty-odd page "Compass."

AT LAST, COMMENCEMENT; the senior has achieved his ultimate goal, jet flight, and is now contemplating with great expectations, the more advanced career of test pilot. But before his adieu, this optimistic ace covers himself with glory. He flies low around the track or baseball diamond, and tries to keep his feet on the ground rather than on his partner's feet at the Co-Ed Ball and Junior Prom. The aeronaut enjoys all of the social, scholastic, athletic and economical (?) prestige of his position and is rewarded for his efforts at the annual awards assembly and Commencement.

TRACK AND FIELD

• 100 •

ALTHOUGH THE BAY LEAGUE Varsity track competition was completely monopolized by Centennial's mighty Apaches as in the past, Coach Russ Striff's entries provided some very tough opposition, particularly in the Bee and Cee divisions. In the Varsity doings the local contingent had Bruce Seifert who registered in both the low and high hurdles and was the leading scorer in his division. Mike Palmer executed a brilliant six foot high jump, the highlight of the first dual meet with potent Mira Costa where Redondo pulled a big upset in the Varsity festivities.

Second row: Manager Gerren, Peck, Harrison, Jones, Freemon, Chaney, Sickles, Lindsay, Garrett. Front row: Conger, Johnson, McConville, Davis, Smothers, Lorden, Bell and Beyer.

On the other hand, the Bees, with one of their strongest combinations in years, captured the heralded Inglewood Relays crown and at the PILOT deadline were favored to take the Bay League title. The team had many hearty contenders: high point man Bobby Garrett, John Bell, Gary Klingler, Dick Smothers, Bob Johnson and Ted Muegenburg.

Bob Sutton, Pete Hacsí and Gilbert Lujan were the big guns as the Cees marched to the runner-up spot in the Inglewood Relays and the dopesters were predicting a ditto in the conference finals.

ATTEMPTED PICKOFF PLAY from Pitcher Jack Beattie fails as first baseman Mike Frye is too late with tag.

SOPHOMORE SOUTHPAW PITCHING sensation sends long foul sailing out to deep right field against Gardena.

WITH ONE OF BASEBALL'S rarest feats, the no-hit no-run ball game, highlighting an action-packed 1956 horsehide season, Coach Bob Cardona's local nine showed observers another promising ball club against some of the CIF's celebrated powerhouses. Inexperienced sophomores and juniors had to carry the load. Catcher Lou Cook, infielder Isidro Delgado, pitcher Jack Beattie and pitcher Bob Carlson gave a taste of things to come.

1956 VARSITY BASEBALL TEAM, back row: Watt, Cook, Beattie, Carlson, S. Valenzuela. Middle row: Coach Bob Cardona, Karavas, Harriman, Kail, Combs, Rahn, Manager Russell. Front row: Burris, Veltre, Cecconi, Delgado.

COMBS SLAMS A BINGLE, Speedy Bobby Combs lines single in left field for one of three hits Seahawks registered against Gardena.

The aforementioned hurling gem was executed by sophomore southpaw sensation Bob Carlson in the game that kicked off the 1956 baseball slate against North High of Torrance in late February. At the PILOT deadline, the final Bay League standings had not been determined, but Squeakie Valenzuela, a unanimous all Bay League choice at shortstop, preserved his reputation as one of the most powerful and respected hitters in the circuit.

Skipper Vince McCullough's Jayvees ran into an early season slump where they dropped several one and two run decisions and never quite recovered. The Junior Varsity aggregate also were playing with a rookie combination, another complete turnover from the 1955 squad.

COED BALL

• 106 •

THE HIGHLIGHT OF THE YEAR was realized on May 4 and 5 when the annual Hi Jinks and Coed Ball were held in the boys' gym. "Rue de Paris" . . . street of Paris . . . was the theme selected by the Girls' League, lending a continental aura to this gigantic event.

AT THE HI JINKS, the only all-girl party of the year, held on May 4, booths and skits were designed around the theme and presented in honor of the senior girls. Winning the blue ribbon for the best booth were the sophomores, with the seniors running a close second. However, the latter then walked away with the first place ribbon for the best skit, the juniors taking second place.

REIGNING AS THE 33RD QUEEN and 17th King the following night were Nancy Cherry and Rex Hughes, both elected by popular vote of the Girls' and Boys' Leagues respectively. The attendants included Princess SCOTTIE COLTON, Prince SOL ROCKENMACHER, Princess KIRSTEN PEDERSEN, Prince BOB COMBS, and a court of thirty-four senior girls and boys.

The Lions' Club of Redondo Beach

The Lions' Club of Redondo Beach is one of eleven thousand Service Clubs in operation throughout the world all of which are composed of the respective community's leading business and professional men.

The purpose of Lions International is much more than good fellowship and club social life, important though these are.

It is to recognize community needs and develop means of meeting them, either through its own effort or in cooperation with other agencies.

The Redondo Beach Club is celebrating its thirty-second birthday this year and throughout the year we have been very proud and happy to support the many activities of the Redondo Union High School.

A very happy occasion for the past twenty-nine years has been the annual football banquet tended in honor of the Varsity and Senior Bee football players and their respective coaches and it is indeed our keen desire to continue this practice for years to come.

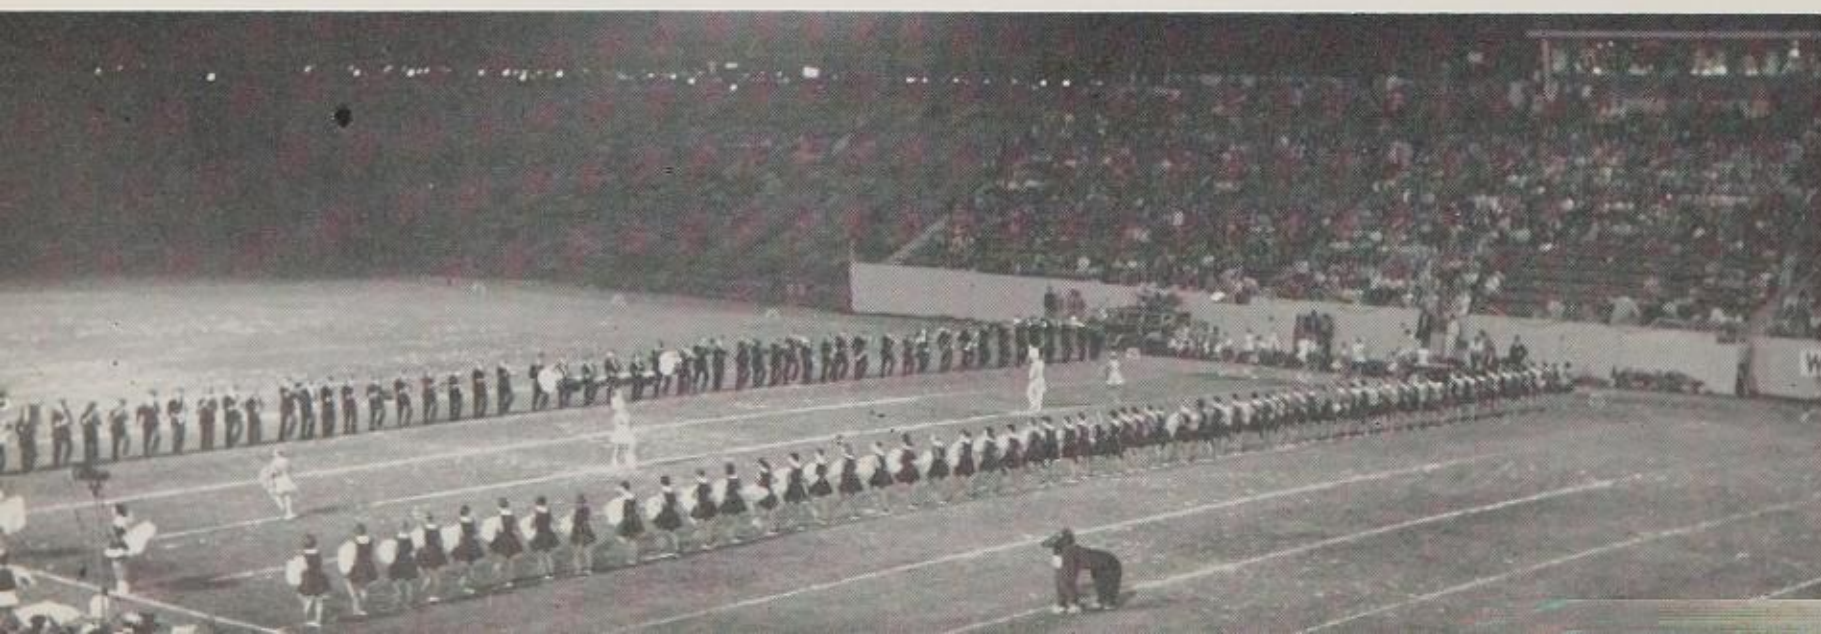

Our club members have been in, and have supported the American Field Service project and we look forward to having those fine young people from foreign lands attend our meetings as guest speakers.

Our nineteenth annual Students Speakers' Contest was another activity in which we have enjoyed the wholehearted and enthusiastic support and cooperation of the faculty and students of the Redondo Union High School.

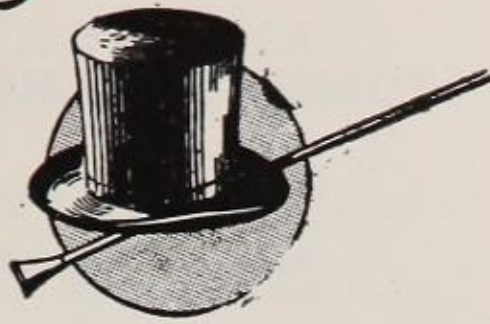

We consider it an honor and a pleasure each year to be permitted to present the Lions' Club Good Citizenship award to an outstanding boy and girl graduate. We have been grateful during the past several years for the demonstration of appreciation of our interest in the R.U.H.S. student activities by being permitted to sell programs at one of the football games. The money thus derived is expended on our Sight Conservation and Blind Aid program in which program many unfortunate youngsters are made happier with properly fitted glasses and medical treatment.

We of the Redondo Beach Lions' Club wish to take this opportunity to extend our congratulations to the members of the senior graduating class of 1956 and we are confident that because of their experience and training they will make better citizens and will assume their rightful place in this world of ours.

Sincerely yours,
Earle D. Campbell,
President

Dear June,

It's been so much fun knowing you this
year. I sure appreciated ~~those~~ rides to school.
I hope we can be friends always. Even out of
school. You've been so neat to me this year.
I really did appreciate it. You've
really helped to make my
Freshman year a real neat. I have
had so much fun this year. I know
we'll have a really neat year next
year with both of us in pep groups, we'll
have so much fun. I can't think of much
more to say but just wait till next year
I'll write about 2 pages. I wish you all
the luck in the world. Especially with
a certain cheerleader. I hope you get everything
accomplished that you set out to do. Love Carlene Chance

June-

I'm so very glad that you got cheer leader!!
more than all the others I wanted you to get it. you
were the best of all at tryouts, and really deserved it.
I know that you'll do terrific job (especially with
four boys) Didn't we have fun in drill team?

See I did. For once I found someone smarter than myself.

Also I'd like to congratulate you for getting into
Cognatta. You're so cute - asks you to the Red &
White dance - I'm sure he'd like to go with you.

He really is a swell guy, I imagine you all ready
know that. I hope that I'll see a lot of you
next year, I know I will. Just think we'll
be working out routines during 4th period.

I hope you're outfit for cheerleader turns out
real cute. I hope you're going to look so
"dashing" standing between four boys at the
games. With your next personality I'm
sure you'll be a success. Let's be good friends
next year and stay as sweet as you are always.
Lots of love.

Love Anne Grimbach

P.S. I'm glad you're on

RESERVED!

I am going to write a lot of nonsense because I want to rise up the whole page. It has been really neat this year. I can hardly wait until next year during football season. We will have to go to the dances because it will be our last year. I have really enjoyed driving your car especially when I went through the red light. Remember when you, Vic, and I drove up into P.O. and I got on that real crazy road and couldn't turn around. Remember when I knocked over the detour sign. We have had really neat times together. I have enjoyed getting our res together in Bookkeeping. I hate accomplishing such great feats as this by myself. Well it shall be such fun getting our report card Thursday. Ugh!!!! I can hardly wait! It seems hard to believe we're going to be seniors next year doesn't it? I can hardly wait. I am so glad you got cheerleader and as Anna said it's neat that Jeep got it too. I hope maybe and you can guess the rest! That is if you can and if you can't then you will have to remain in a class. I hope you can understand.

Dear June

June.

Well now we're seniors and it seems sort of funny to think that our first three years of friendships went by so quickly. I've enjoyed being your friend because you are a very sincere person.

I don't think I'll ever forget our first driving escapade together. Remember, it was the day we went to register? I really had a good time. Also the day we met our little sisters. What a day!

I can hardly wait till next year when you are out on the field leading the student body. You'll really look neat.

I want to wish you the best of everything & I sincerely hope our friendship lasts a long, long time. I truly think you're the greatest ever & I sincerely wish you luck in whatever field you choose as a profession.

Your friend always
